

Tru Supply Company Is A Proud Regional Distributor of  
Perma-Patch Premium Asphalt Repair  
For Information Call:  
646.736.7330

**Perma-Patch: The #1 rated asphalt, pothole,  
and utility cut repair option.**

**Perma-Patch** is a FAST and EASY permanent repair solution.

Use **Perma-Patch** for filling potholes, repairing driveways, road maintenance, street repair, and patching asphalt.

**Perma-Patch** is the inexpensive and permanent solution for the repair of potholes and asphalt paving.

**Perma-Patch** will outlast hot asphalt and very little labor is required. Do the job one time!

See how easy it is:

- No mixing or preparation!
- Pour right from the bag into the hole!
- Compact with tamper, small plate compactor, or just drive over!
- Use the same mix year round!
- Bags have a shelf life of 2 years!
- Perma-Patch can be used anytime, any place:
- Winter cold and snow
- Summer heat and rain
- On blacktop and concrete paving
